Hi! I'm Niharika, a fourth-year **architecture student** who wanted to do something creative, but stayed for everything else I discovered along the way.

Lately, my curiosity has been leaning more towards **graphic design**, especially **posters and digital illustrations**.

Currently based in Kozhikode, Kerala.

The image features a solid blue background with a pattern of lighter blue, wavy, organic shapes that resemble stylized waves or flowing liquid. These shapes are scattered across the upper half of the frame. In the center of this patterned area, the word "WELCOME" is written in a bold, white, sans-serif font. Below the patterned section, there is a solid, darker blue horizontal band that spans the entire width of the image.
